April 19, 2019

Dear Friend,

2019 looks to be a great year for the Equestrian Friends of Governor Knowles State Forest!

As one of our supporters, you already know that riding the Forest’s 40 miles of horse trails is wonderful. We also want you to know what we do to make your experience even better and encourage you to **“Be a Friend”** by updating your membership.

This year we are holding our annual meeting in the Forest! We would love to have you join us for lunch at our **Annual Membership Meeting at the Trade River Campground on May 5, 2019.**

Your volunteer hours and membership dollars help make the following possible:

- **Certified Firewood** - Emerald ash borer infestations require that only certified firewood can be burned in the Forest. Volunteers coordinate the ordering, stocking and collection of fees for firewood at the Trade River Campground.
- **Trail Improvements, Mounting Blocks & Picnic Tables** - Your donations help pay for trail maintenance and improvements. Our volunteers build and place mounting blocks strategically throughout the Trade River Campground and Day Area. The Friends also help add picnic tables in the campground and on the Black Trail overlook.
- **Website & Facebook** - Volunteers keep riders posted on Facebook and on our website at www.governorknowles.org

Annual Membership Meeting

Trade River Campground

May 5, 2019
